

VAT CERTIFICATE OF DECLARATION

Certificate to Bryt Energy in respect of properties qualifying for the reduced rate of VAT.

If your organisation is eligible for a reduced VAT rate, you need to let us know by completing this certificate. Otherwise, we'll apply the current standard 20% rate to any business electricity invoice we produce for you.

Please provide as much detail below as possible so we can process your certificate quickly. Fields marked with an * are mandatory. You need to complete one form for each qualifying property.
